

FRIENDS OF THE OBSERVATORY PRESENTS

Music ♦ Moonlight ♦ Griffith Observatory

COSMIC CONJUNCTION 2009

*One Night Only...
The Event of the Season!*

Imagine...

Attending the world premiere of "Observations" by Arthur B. Rubinstein, narrated live by **LEONARD NIMOY**, and performed by Symphony In The Glen Orchestra.

Enjoying gourmet picnic basket dinners by Wolfgang Puck.

ALL UNDER THE FULL MOON AT GRIFFITH OBSERVATORY.

Imagine...

Two free concerts linking astronomy and music for thousands of schoolchildren.

SUNDAY • OCTOBER 4, 2009 • 6:00 P.M. - 8:30 P.M.

Sponsorships and Tables are being offered first to a limited audience.

CALL OR EMAIL NOW TO RESERVE.
